MEMORANDUM FOR: Assistant for Plans & Development

ATTENTION : Chief, Development Branch

FROM : Chief, Photographic Intelligence Division, CIA

SUBJECT : Evaluation of [] Dove-Tail Rhomboids

X1 The Photographic Intelligence Division has evaluated the prototype model of the [] Dove-Tail Rhomboids provided by [] of your Staff. These were felt by all personnel evaluating them to be considerably superior to the present clip-on rhomboids and to represent a significantly substantial improvement over the present models to warrant retro-fitting all microscopes presently on board with the Dove-Tail Slides. PID has placed an order with Logistics for this modification on all [] microscopes and will procure this as an integral part of all future [] scopes to be purchased.
